Hey Ralph
What a pain being popular. I have to sign annuals constantly. Just kidding you. You've been a great friend. Sorry I wasn't in it all you guys this past year. Hopefully I'll be in there next year. Have one heck of a summer. Get that IS sunblock out. Keep loving the Lord
Short & Sweet Wheelly yours

To Ralph

Why is everyone writing ΩHI → ⊃≥Σ ?

Anyway, have a great summer and see you in the year 2000! Lakeh the Bad Kids

Ralphy Boy
The cool cross-country star. I hope the year has been good to you. Well you've been a good pal. Have a few summers

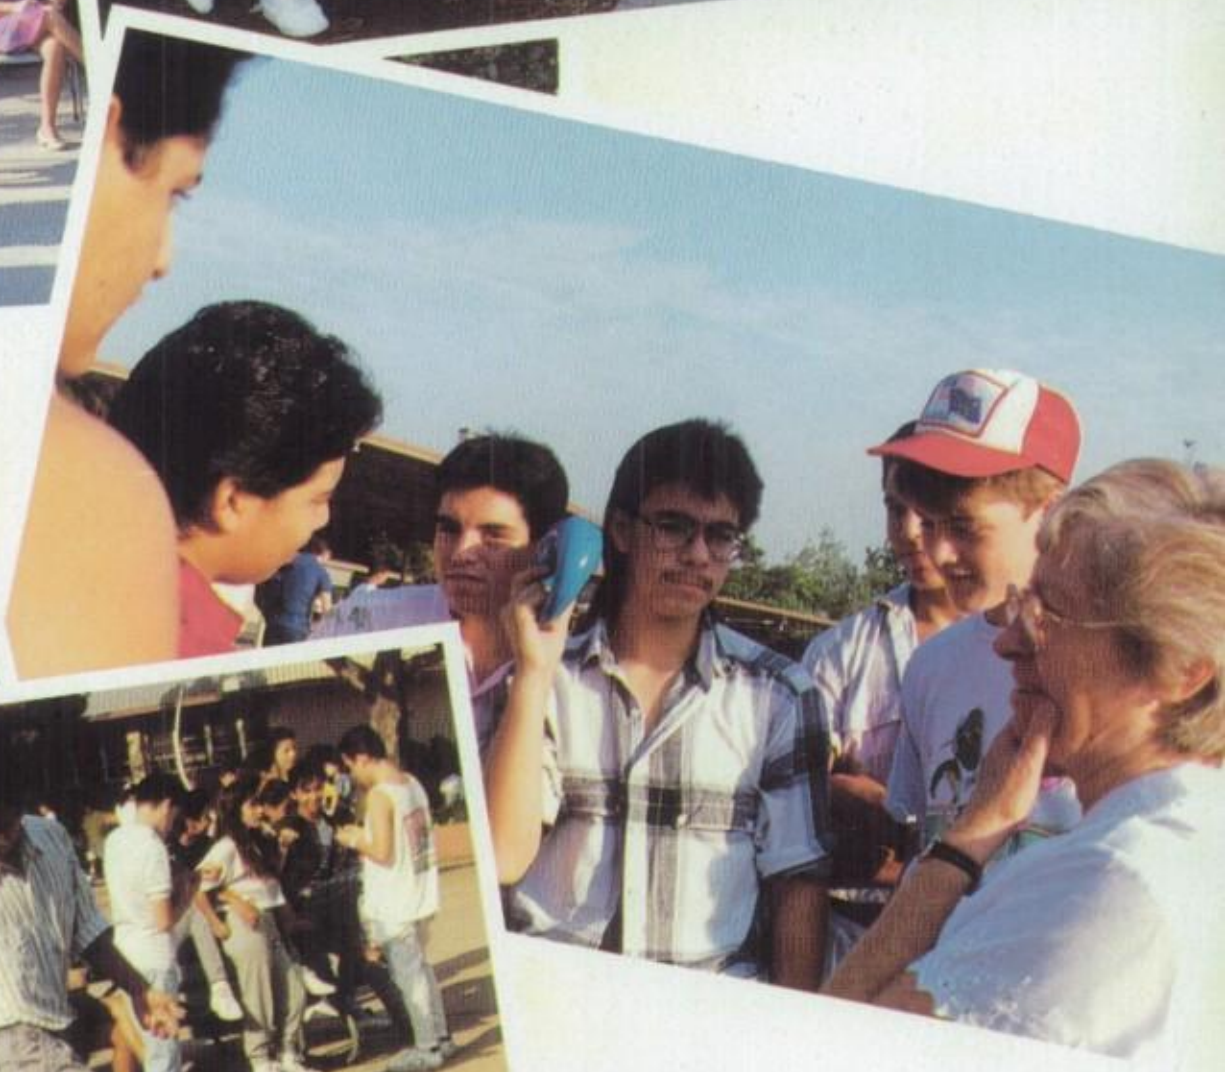
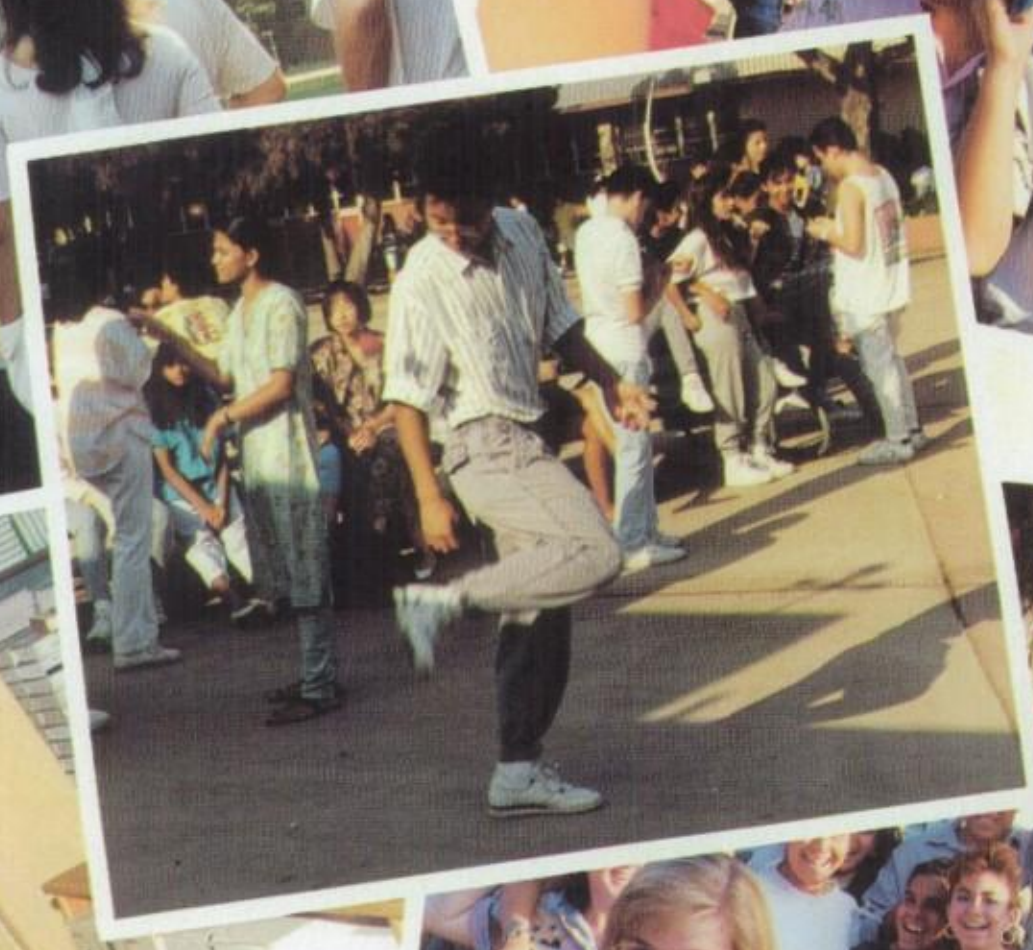
FACULTY





# Oct. 1

October 1st seemed to be like any other day until 7:42. Shock!! Just when it seems it couldn't happen, Pow! An earthquake! It measured 6.1 on the Richter scale and left fear and concern amidst the student body.

To ease the tension, Mr. Torres took evasive action. With the aid of Mr. Panagos, they instructed the students and staff to remain calm and to assemble in the quad. Repressing fear and fright, the students joked and played games while the staff listened intently to available radios. All waited patiently as aftershocks rocked Pioneer. News reports indicated there was severe damage to the Uptown Whittier area and Whittier H.S. sustained major damage. Though we suffered no great loss and Pioneer had minimal damage, this seemed like a day Mother Nature really "let loose among the Titans."

# TRAVEL LOG
# JAPAN

Last Summer, Melissa Alvarez, Wayne Bryant, Eric Fernandez, Cyndi Lopez, Mike Lopez, Tom Villasand, Charlene Mendoza, flew to JAPAN.

Chaperone by Sue Cugini, they stayed in Tokyo for 3 days where they shopped at a tax free market which wasn't as cheap as they anticipated. Visiting Tokyo studios, Tokyo Disneyland, Mt. Fuji, and Fuji Band were just a few of the many activities that our travelers took part in.

By staying with Japanese students, our students were able to experience the Japanese culture. With friendly faces and glowing personalities, the Japanese people gave our students a once in a lifetime experience.

# ENGLAND

Lisa Perez, Cathy Chico, Ricky Jimenez, and Deanna Jew embarked on a very educational journey to Cambridge, England on July 1, 1987.

In this great university setting, they were occupied with lectures sight-seeing, and shopping. Cambridge became a second home. Our overseas scholars enjoyed the major sights of England; Big Ben, The Tower of London, Buckingham Palace, and the British Museum. Near Cambridge, they visited Wimpole Hall, Castle Acre Priory, Kennilworth Castle, Warwick Castle, and Shatford-Upon-Avon.

In Cambridge they experienced "punting" which is similar action to rowing down a calm river. It added fun to the beautiful scenery and friendly manner of the English people. At the end of July, they left with many cherished memories and the hope to return one day.

# DEDICATION

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in dedicating the 1988 TORCH to a man who is highly respected for his deep concern and strong devotion to making Pioneer High School above the best.

He was born in El Paso, Texas and later moved to Tucson, Arizona. After graduating from high school he served 2 years in the Navy. He moved to California to complete his education at Cal State L.A., where he received his Bachelors, and Masters Degree in Administrative Services.

When not actively involved with his job, he enjoys spending time with his family. He collects old records and reads military involvement books.

This man has so much energy, he touches everyone with his smile and enthusiasm. The job of Assistant Principal of Business and Activities is an important one. He is presently the advisor of the ASB cabinet and interacts with every club and activity on campus. He is goal oriented, and has promoted the clean campus campaign which has resulted in making Pioneer High School the cleanest campus in the district. This year he will always be remembered for "helping" the student body get to class on time with his own unique "bell system".

His concern and dedication will always remain a symbol of Pioneer. He is truly "One Of A Kind". He is . . .

The Varsity Girls Basketball Team had a fantastic year! Their overall record was 19 wins, 7 losses. The girls worked real hard all year and the work paid-off with a second place finish in League play. Also the team advanced to the second round of the C.I.F. Playoffs. The team also captured the 2nd place trophy at the La Puente Tournament and 3rd place in the Hacienda Wilson Tournament.

"It's always easier to coach when people are willing to work hard, and I'm extremely proud of each one of them!" Coach Bergenthal.

# FAME

Fame was presented by the Pioneer High School Drama Department this fall. The main character was Doris Schwartz, (cleverly played by Angela Calvo) a girl that attempts to become her own person. Supporting characters were Ralph Garcy, (played superbly by Mike Perez), who had to cope with his identity problem; Mike Kinnaman also had a supporting role as Montgomery Macneil, a boy who has come to terms with his fears and frustrations. This outstanding cast depicted the student body of a school of performing arts. Dealing with their fears, differences, and prejudices, a well executed performance left the audience satisfied.

The Titan Tribune staff, under our new advisor Judy Turner, has successfully completed yet another year of informing students of Pioneers' happenings.

Editor of the 87-88 Tribune was Eddie Navarro. Page Editors: Geraldine Shevlin, Valerie Salgado, Ralph Murrieta, and Mason Chaboya.

Without the dedication and help of the reporters, the completion and paste-up of the paper would have been virtually impossible.

The students of Pioneer were kept up-to-date about sports, school spirit, activities, personalities, and controversy.

"KING TUT"
MISS DRILL TEAM U.S.A.
We did it Again! — 3rd Place

The Titanettes sparked up the spirit in everyone for 1987-88. Their hard work and supportive enthusiasm was seen at every pep rally performance throughout the year. Drill Team also represented Pioneer's pride at assemblies as well as football halftime shows. Winning 1st place at the East L.A. parade and placing 1st at an indoor competition at Knott's Berry Farm were two highlights of the year. Their performance at the "Miss Drill Team U.S.A." pageant was spectacular. This year's leader of the Titanette Drill Team was led energetically by Claudia Ramirez, and by Advisor Marilyn Littlefield.

# VAMPIRES SAVE LIVES!

Our annual Blood Drive was a great success. 97 pints of blood were accumulated. Overcoming the fear of the needle, Titans showed incredible bravery to help those who must overcome the odds to survive.

"My Mother, My Friend," was the theme for the annual Mother-Daughter Dessert. It was presented by Girls League members on Oct. 21, 1987.

The president was Irene Olmos. With all the help of Girls League members, the dessert was a big success.

Performances were made by Drill Team, Titan Tones, and four members of Girls League modeling up-to-date fashions.

The Mother-Daughter Connection was a game played by four mothers and their daughter similar to the Newly Wed Game. The contestants were asked questions about one another, and if answered correctly, they were given points. This year's winners were Christina Yanez and her mother.

## High Achievers

The Pioneer Academic Decathlon team competed against 67 other schools on November 14 of last year. The Academic Decathlon is a one day event consisting of written tests on Math, Science, Literature, Fine Arts, Economics, and History. The students are also judged on speech and essay writing. The final event was a super quiz on the history of aviation.

The Pioneer team was recognized at an award dinner as one of the top 35 schools in Los Angeles County. The team won special recognition as one of the most improved, raising their score by over 3000 points from last year's competition. Of the five district schools, Pioneer placed third.

Individual awards went to Madhangi Jayaraman and Josh Kang. Madhangi was the team's highest individual scorer and was honored for earning over 900 out of a possible 1000 points in essay writing. Josh Kang was recognized for earning 800 out of a possible 1000 points in the Super Quiz.

This year's team members were Angela Calvo, Anthony Chavez, Madhangi Jayaraman, Josh Kang, Irene Olmos, David Ortiz, and Ralph Wheeler. The team was coached by Ms. Cugini, assisted by Mr. MacDonald. The entire Pioneer student body and staff congratulate them for their dedication, effort, and achievement.

# "It's Been An Extraordinary Year"

"Extraordinary" is the word that comes to mind when I think of the 1987-88 school year. It has been a year of both exciting and anxious moments for all of us. Certainly, the October 1st earthquake is an event that we will remember for a long time, not only for the destruction that it caused but also for the care and support given by so many. I am especially proud of our students and staff for their cooperation during that disaster. It was another demonstration of the Pioneer tradition of caring in all situations.

To be the very best is another characteristic that exists throughout our school. You find it in the classroom, in the quad, on the athletic field, in the gym, on the stage and every place where Titans come together.

It is also evident in the pages of this book which seems to capture the essence of our school. There is a spirit that is unique to Pioneer and it emanates from its people. It is a sense of knowing what is worthwhile and cherishing it. It is the wisdom to recognize the value of each person and the strength in the group. And, it is the realization that each one of us makes a difference.

Truly, Pioneer is Number 1. We are a proud family who cares about each other. We are a school of spirit and pride with a vision for the future and a deep appreciation of the past. We are the energy and creativity of the present. We are here to "catch the spirit" and soar to the sky.

# Pioneer Welcomes Our New Superintendent

## Dr. Lee Eastwood

Pioneer High School warmly welcomes our new Superintendent, Dr. Lee Eastwood.

Dr. Eastwood first visited Pioneer last summer to meet and speak with this year's A.S.B. Cabinet. From that point on, many of our students looked up to him for guidance, and with a great deal of respect.

He gained this respect with the strong disposition that he holds. He has become a great friend to Pioneer.

On behalf of Pioneer, we welcome him to our school and to the district with open arms. We wish him the best of luck in the years to come.

Dr. Eastwood and the Board of Trustees set curriculum and student welfare as their main concern for the 87-88 school year.

Providing schools and students with new and better materials was also a goal. Pictured with Dr. Eastwood; Jason Gutierrez and Marc Cervantez

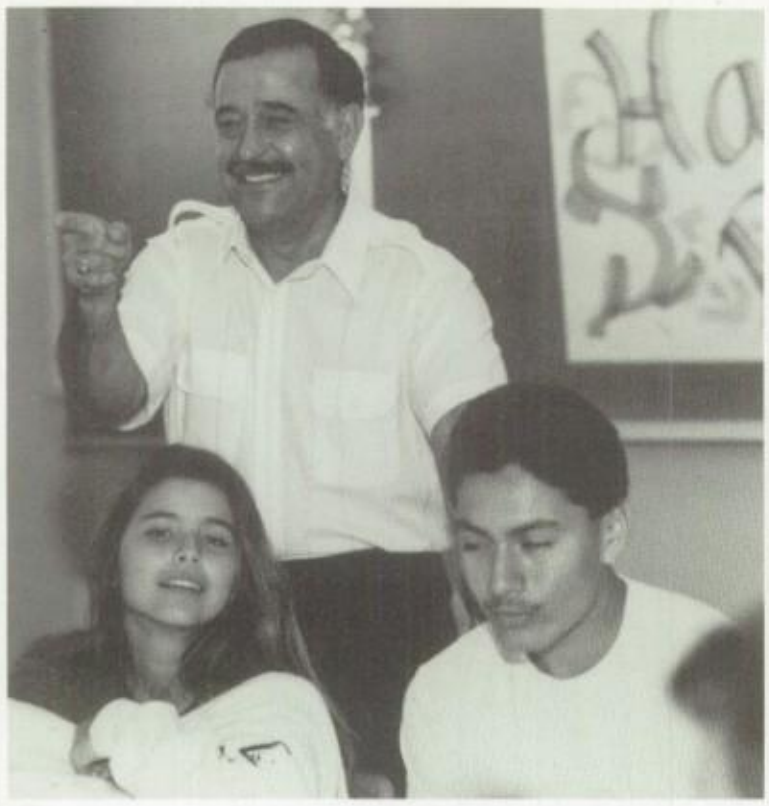
# Pioneer Salutes The Big Three



Do you know what's great about Pioneer? You can step on this campus everyday and get a warm and bright smile and a cheerful hello. This starts my day when I step onto the campus.

I'll miss this when I leave. Meanwhile, I hope students are happy, healthy, and taking advantage of the education that's being offered. I keep wishing that we respect each other, the campus, and the environment.

Mr. R. TORRES

Students and classroom instruction continue to be the major focus at Pioneer. We are proud of our students' achievements and our teachers' expertise, tireless efforts and supreme patience.

Mr. D. LEE

The school year 1987-88 had a very smooth opening in September. Perhaps the best ever! Everyone in the school including students worked very hard to bring this about. Pioneer continues to exemplify excellence in education, in part, because of the spirit of cooperation and respect demonstrated by all.

# EXPANDED HORIZONS

Expanded Horizons is a program funded by the district which coordinates a variety of services for Pioneer students. This year the Horizons office held many fund raising projects to help them pay for field trips. College-bound students were assisted with all their college and financial aid applications and with other necessary paperwork. Other services such as J.T.P.A., Cal Soap, and tutoring programs are also funded by the Horizons Office. All these services are under the supervision of Bertha Figueroa.

School Improvement Program resources at Pioneer are also coordinated by Mrs. Figueroa. Lily Sahagun assists identified Pioneer students with the Migrant Education Program. Elizabeth Solis is the Special Project Clerk for all the programs.

## CHAPTER 1

Chapter 1 is a federally funded organization that provides special instruction to identified Pioneer students in reading and mathematics. The Chapter I Reading Lab teacher is Dan Garcia and is assisted by Bertha Red. The Math Lab T.A. is Pat Acosta.

CLASS OF 90!

Hey Ralph,

Great year, huh? I guess we had a lot of fun this year in ~~CC~~ + track + Spanish 2 and algebra. Too bad I didn't see you fail in any more classes than I did! Oh, well, it's been nice knowing you and I hope your senior year (next year in case you forgot) will be memorable. HA! HA! HA!

P.S. → (89)

Your friend,

Peter Baldwin

This year, the Frosh class, led by Marco Chacon, had many objectives. The main goal was to accumulate as much money as they could to get a head start on funds needed for their Junior year. Having a Candy Gram sale for Valentines day was just one of their fund raisers this past year. Above all, the Frosh class proved to be very successful as the neophyte Titans.

Dear Ralph.
We probably have the wiredest friendship ever, but it is fun, it's been weird you know to. & know we have very different personalities but we'll survived I know you probably will never change but try to when your around please and it'll be nice to. You know when I told you all the mean things I was just kidding, don't take it seriously.

Sorry, I sort I ran out of room, I know I must get on your nerves and I'm sorry, forgive me, like you always say. Well Ralph have a great summer, "Don't drink to much!"

Alpha, well this was one year I
will never forget. I hope you had
the same. I know next year you will
be the same! Maybe I'll see ya
next year, I'll be around to watch
some games! I want to wish you
the best of luck, & be good
don't do everything like done my
senior year! Even though you
slagged at times good luck & I'll
miss you just the same!

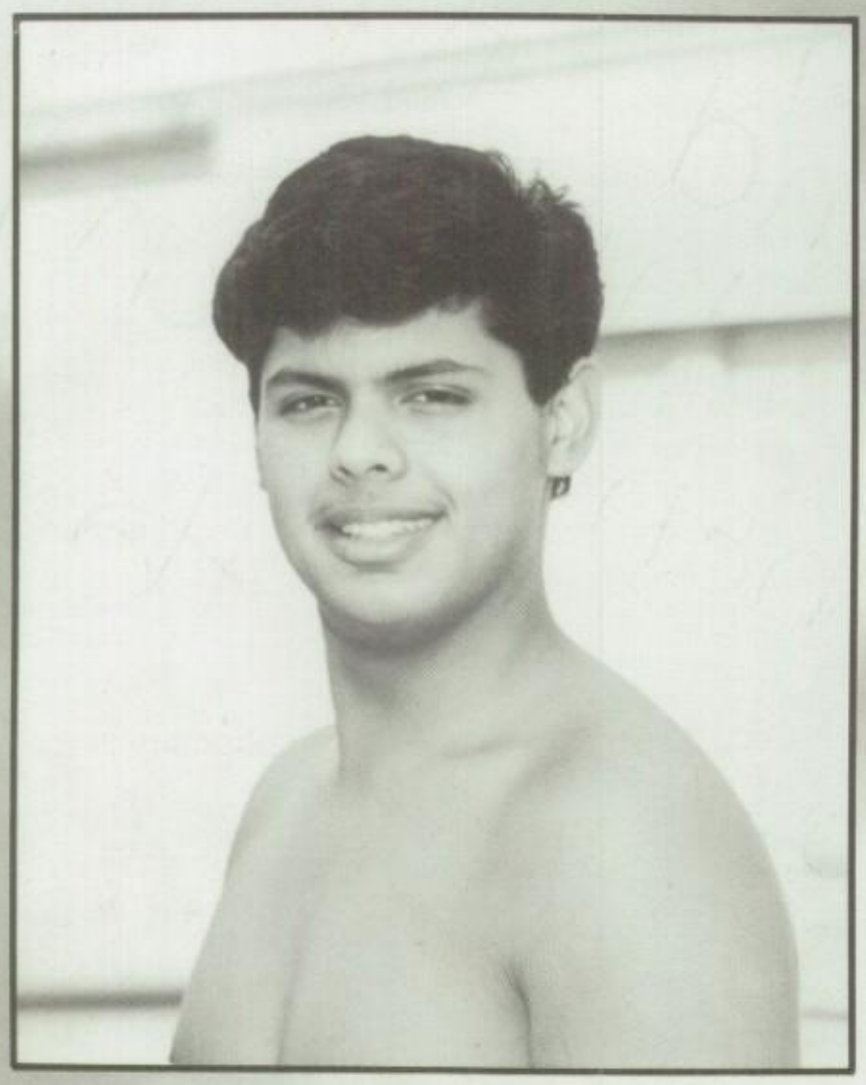
# In Memory Of . . .



## Leo Diaz

Aug. 20, 1970 — Nov. 2, 1987

On Nov. 2 Pioneer lost a very special young man to leukemia; Leo Diaz.

Leo was an active member in aquatics. He was involved in swimming as well as Water Polo. He also participated in wrestling.

Just like most teenagers, school was not one of Leo's favorite pastimes. However he did enjoy his Math and U.S. History classes.

Leo enjoyed going out with his friends. The most important thing to him was keeping a close relationship with them. Leo was well-liked by everyone because of his natural ability to make people happy and feel important.

Leo's unselfishness and sense of humor helped him as well as his friends get through tough times. He was an extremely caring person and someone you could always confide in.

Friends and family will always remember Leo for being a fighter and never giving up, even to the end.

## Sheri Klotz

Sept. 26, 1969 — April 13, 1988

On April 13, Pioneer lost another special student; Sheri Klotz, to Ewing Sarcoma, a form of cancer. Sheri was inspired by the fine arts. Her interests and talents were in the field of Drama, Choir and Titan Tones. She also had a passion for dancing and singing.

More than anything, Sheri wanted to receive her high school diploma and made every effort to come to school until it just wasn't physically possible. Students were surprised and happy to see Sheri at the International Assembly.

Sheri spent her last weekend visiting Disneyland and Ports O'Call with her family. Sheri was known for her valor and bravery. Mr. Torres once commented about her, "Sheri had so much desire to live but had accepted her illness . . . The strength she gave us in the manner she handled her illness was unbelievable."

# Seniors

Our Freshman year was very Memorable. Who could forget the fear that went through our minds when the Seniors attacked us — to be put in the trash can? And what ever happened to the cabbage patch doll? They made their debut when we first entered our frosh year. Reagan also entered as we did, but into a new 4 year term. U.S.A. for Africa produced money to help those in Africa to survive. Prince "rained" on the nation and everything came up purple. Students chose life, with the trendy shirts set off by Wham. Who could forget that "lucky star" Madonna and the others like Frankie, U2, and Band aid. Then there were those words like "bogus" and "wally". It was a year to remember.

Lets reflect:

"Like a Freshman" (sung to the tune "L-A-V")

We made it through our freshman year, somehow we made it through, didn't know how lost we were till we got to school, We were scared, chached our hair, rolled our pants, rolled them up to there. So that we could feel, so that we could feel, Shiny and new,

Like a freshman, hey!

Trashed for the very first time.

Like a freshman, with your trash can next to mine . . .

Our Sophomore year followed with the first annual Homecoming King. The power went out and the school broke down so we all went home for the day!! Denim came back. Black and White replaced color. Miss Drill Team U.S.A. was the drill team's highlight of the year with a third placing. The big Ice Cream bash was offered to the students for their outstanding accomplishments. Rings went on other places other than the ear and the finger. Remember? Your memories will take you there . . .

"The point of our Sophomore year"

(sung to the tune of "P-O-N-R")

You're taking me to the point of sophomore year, ah ah ah. Aye!

Disco was in, They drove their Nissans, up and down the street.

Party flyers in the air, with pictures on the front, Oh baby can't you see.

Aye! Eicholtz left the school and made us all cry, bye bye bye!!!

## "Flashback"

. . .

Our Junior year was great fun and exciting. Reeboks ruled the shoe world. The no smoking law was put into effect. Mrs. Anaya in charge and nothing gets by her. Do you remember when: "we were Juniors"

(sung to the tune of "Y-B-A")

One day when I was chillin', and my feet were really killin'

Just minding my own business cuz the quad was not yet fillin'.

The students walked in lookin strange and kind of funny,

They couldn't find a bench to sit down on with all their chummies.

We couldn't see straight, only side to side,

Because of the jackhammer, we went for a joy ride. We were Juniors.

As Seniors, we rocked Pi Hi. October 1st we showed our power by unleashing what we had inside of ourselves on all of Whittier. The freeway became a scary place because of the freeway shooter. Acid wash corroded the denim world. Tie dye is coming on strong. Cut offs made the scissor industry go up. "Chicken Littles" hit the nation and so did McDonald's salads to go. Frozen yogurt and the coming of Penguins. All this and more spells out that we were Super Seniors!

"Super Seniors" (sung to the tune of "S-S")

Super seniors motivating class of the 80's, and everybody knows that 88 is devastating, you know you like our style, so you better get wild, cuz we are the homies that are hyper like a child. Super Seniors (2x) — We're the freshest class from coast to coast, and we can jam and party and we don't mean to boast. We might be smart, but thats okay, cuz when we think to the beat, it looks this way ($e=mc^2$) — Super Senior (2x). Now you people know what super seniors mean, we didn't try too hard but we stay very keen, Baby don't you know that we make you so astonished, don't try to hard, don't be super wanish, Super Senior (2x) You see the 'S' is for super, and the 'U' is for unique, the 'P' is for perfection cuz you know that we are freaks, the 'E' is for exemplary, the 'R' is for rad, so tell the underclassmen just to stay the heck back. Super Seniors!!!

# OUR JAPANESE FRIENDS

1st row (left to right): Tom Villa, Masahisa Hibino, Alfred Davila, Takeshi Osadea, Michelle Esquibel, Melissa Alvarez. 2nd row: Miss Kazuko Nakagawa, Miki Kakazawa, Diana Limon, Yukiko Komiyama, Mia Corral, Kumiko Hada, Emiko Nakara, Cindy Lopez, Karen Jang, Kazue Iljima, Kuzumi Ikeda, Futaba Morimoto. 3rd row: Liz Villarreal, Fumie Ozawa, Kerrie Torres, Hitomi Nakajima, Sandy Casas, Michelle Hernandez, Miwa Okable. 4th row: Mike Lopez, Takeshi Komatson, Hector Martinez, John Bird, Hiroyuki Iimuro, Marie Lopez, Emiko Yuasa

The Japanese students from Yamanashi Gakuin High School arrived for their annual visit in early March. While they were here they visited classrooms, Universal Studios, Disneyland, and the Imax Theater. One Japanese student, Yukiko Komiyama (who spoke English very well), said she liked Pioneer, and the students here were very kind to her. She really enjoyed Universal Studios especially King Kong and the Miami Vice Show. Yukiko likes the California sunshine, and hot Mexican food. She said that American people have taught her a lot. After the International Assembly our visitors returned to Japan leaving Pioneer students with many happy memories.
